## CANCELLATION POLICY

Purchases of discounted stays made in our Shop Online have the characteristic of being "Non Refundable".

For this reason we strongly suggest you to buy a specific insurance, offered by a Company of your choice.

You can find excellent and well-known ones on the Web. The search is very simple, as well as the online purchase.

The cost is about 3%, referring to the price of the stay.

This would allow you, in case of adverse circumstances occurring before or during your stay and leading to a cancellation - delayed arrival - early departure, to be able to request a partial or total refund to the Insurance Company.
